Raja Sir Sree Krishna Rajendra Wodeyar Bahadur,
G.C.S.I.,G.C.B.,

M A H A R A J A OF M Y S O R E.

The humble memorial of Challa Narayanaswami Naidu, B.A., B.L., High Court Vakil (Madras) and Advocate of the Chief Court of Mysore, most respectfully sheweth:

1. That the memorialist is a Mysorean by birth and education, being born at Chickballapoor, of parents purely Mysorean, and having graduated from the Central College, Bangalore.

2. The memorialist is aged 30 and is a non-Brahmin of the Balija Community which, though it comprises a large portion of both the agricultural and commercial classes of the State contributing a great part of its Revenue, is hardly represented in any department of the Government.

3. The memorialist has the unique honour of being the first and the only graduate in Law from the Balija Community (as distinct from Naidu Community) which to the knowledge of the memorialist has only three graduates in Arts in the whole Province.

4. After taking his B.L. Degree in the year 1912-13 the memorialist served his term of apprenticeship for one year

year in the High Court of Judicature at Madras and got himself enrolled as a Vakil thereof in the year 1914.

5. After practising in the said High Court and the Courts subordinate thereto, viz., the Courts of Cuddappah, Chittoor and Salem Districts, for sometime and gaining experience of the profession the memorialist got himself enrolled as an Advocate of the Chief Court of Mysore in the year 1915 and settled down in Bangalore.

6. The memorialist has been commanding a fairly decent and extensive practice both as an Advocate of the Chief Court and as a High Court Vakil. He had the good fortune to be engaged in and to successfully defend such important cases as the famous Guru Rao Murder Case and the Maddagiri Rioting Case (in which more than half a dozen villagers were involved). He has also conducted big and complicate Zamindari suits in the Chittoor and Salem Districts.

7. As regards the memorialist's ability as a lawyer the learned Judges of the Chief Court Mr. Justice C.S. Chendrasekhara Aiyar, B.A., B.L., and Mr. Justice T. Paramasiva Iyer, B.A., were pleased to record as follows in R.A. No.284 of 1916-1917:- "The intelligent Advocate (Mr.Narayana Swami Naidu) ---------- ingeniously argued &c ...".

8. The memorialist has passed the Mysore Revenue and Registration Examinations also.

9. The memorialist had applied for the post of a Probationary Assistant Commissioner but he was not fortunate enough to be selected. He now learns that the Government of Your Highness is about to effect a separation of the Judicial and the Executive and to make some Magesterial appointments and most respectfully begsto approach Your High-

-ness

Highness once more with a humble prayer that Your Highness may be graciously pleased to offer him any post on a salary ofnot less than Rs.200/- per mensem.

And Your Highness's humble memorialist will ever pray for the long life and happiness of Your Highness and the Members of the Royal Family.

JUDICIAL
21 JUN 1918

To

Colonel His Highness Sir Sri Krishnaraja Wadayar
Bahadur, G.C.S.I.. G.C.B.E.,
MAHARAJAH OF MYSORE.

May it please Your Highness,

I the undersigned Mir Basit Ali Khan, son of the late Musahib and Retired Assistant Commissioner Nawab Mir Kamaludin Ali Khan, and grandson of Nawab Mir Mahamud Ali Khan Bahadur, the cousin of Tippu Sultan and Vakil to the late Highness Sri Krishnaraja Wadayar Bahadur, most humbly and respectfully beg permission to state as follows:--

1. That it was entirely Your Highness' wellknown generosity and paternal concern for the amelioration of my ancient family, in consideration of the meritorious services of my ancestors that enable me to have had the good fortune of receiving my early education at the Mahamodan Anglo Oriental College at Aligarh, and later on to proceed to England for my higher education.

2. That although the scholarship was granted for the purpose of only qualifying myself to the Bar, yet in my humble efforts to justify Your Highness' most generous encouragement and avail myself to the fullest extent of the opportunity so graciously afforded, I during the limited period of three years, not only got called to the Bar from the Middle Temple but at the same time obtained the Bachelor of Arts Degree of both the Universities of Cambridge and Dublin. I have also been recently conferred the Master of Arts Degree of the University of Cambridge.

3. As Your Highness attaches no less importance to one's character and conduct than to one's qualifications and attainments, I cannot do better than most respectfully submit copies of my certificates along with the following extract of the letter of Your Highness'.late Private Secretary Col. J. H. Campbell, who was constantly watching the conduct and character of Your

Highness' scholars in England:-

Extract.

"The examinations which Mr. Basit has passed speak for themselves, but "the very high character" which he has borne and the goodwill which he has secured on all sides, are the most satisfactory and gratifying testimonials which he and his friends could desire to possess.

I would ask you to be good enough to make His Highness the Maharajah assure of the creditable manner in which Mr. Basit has upheld the reputation of His Highness' Mahamadan subjects."

4. As it was my late father's earnest wish and desire - so it has always been mine as well - that in keeping with the traditions of my family I should consider it my bounden duty to serve Your Highness' Government with all devotion and loyalty, I in deference to his wishes got enroled in the High Court at Madras with a view to acquire experience and better qualify myself to serve Your Highness' Government creditably.

5. The untimely and lamentable demise of my father has left our large family in great pecuniary difficulties; and the grave responsibility that has fallen on my shoulders - in the absence of my eldest brother who is still in England - of maintaining my widowed mother and educating my six minor brothers and looking after their welfare and those of the three minor sisters in a manner consistent with the dignity and status of our ancient family has given me no peace of mind; and my practising any longer, in a foreign place has thus become an absolute impossibility.

6. Under these embarrassing circumstances, I am obliged to most respectfully approach Your Highness with my humble prayer that Your Highness with the paternal interest and Royal concern always evinced in our welfare be graciously pleased to confer upon your humble loyal subject and servant a suitable appointment in any department of Your Highness' Government or in the the Judicial

Judicial Department which I understand, is now being re-organized and a number of subordinate judges and first class magistrates are to be appointed.

I, most respectfully, beg to remain,
Your Highness' most obedient, most loyal
and grateful subject and servant,

M. Basivi Rao

Kamal Manzil,
Tumkur.

PETERHOUSE,

CAMBRIDGE.

Mr. Basit has been a member of this College from 1909 to the present date, and has now passed all the examinations required for the Degree of B.A., which he has accordingly taken within the last few days. He has also passed the first part of the examination for the LL.B. Degree of the University of Dublin, and has been called to the Bar from the Middle Temple.

During his residence among us he has borne a very high character and has entered fully into the spirit of College life, so that I may say without hesitation that he has secured the goodwill both of the authorities of the College and of his fellow under-graduates.

Having had considerable experience of Indian students at this College I may say that he seems to me just of the type which it is most satisfactory to us to receive. He came with excellent credentials from Aligarh, from which College we have had several very good students.

I certify that Mir Basit Ali Khan, of Mysore family, duly resided for three academical years as a member of this College, and passed with credit the examinations for the B.A. Degree, which he took on 15th June last. He also passed half of the examinations for the LL.B. Degree of the University of Dublin. He is entitled to proceed in due course to the M.A. Degree of the University of Cambridge.

His character and conduct have been without reproach, and his career at Cambridge is a credit to himself and to his College, which he leaves with the good wishes of all who have known him.

Dear Mr. Campbell,

I take the liverty of writing to you for the purpose of introducing to your kind notice, Mr. Ali Khan Basit, the son of Mr. Mir Kamaluddin Ali Khan, an esteemed Mohamadan friend of mine in old Mysore days.

Mr. Basit will no doubt ask you to peruse the certificates of the Master of Peterhouse and the letter of Mr. Edwards.

The examinations which Mr. Basit has passed speak for themselves, but "the very high character" which he has borne and the goodwill which he has secured on all sides are the most satisfactory and gratifying testimonials which he and his friends could desire to possess. I would ask you to be good enough to make H. H. the Maharaja assure of the creditable manner in which Mr. Basit has upheld the reputation of H. H's Mohamadan subjects.

PETERHOUSE,

Cambridge, 13th July '12.

Dear Sir,

The return of Mr. A. K. Basit to India prompts me to send to you who have taken an interest in him, a brief expression of the approval with which we regard his career at Cambridge.

He has done his work with conscientiousness and intelligence; he has lived among his fellows in all goodwill, and proved himself to be in all things and towards all men a gentle man.

I say without hesitation that I could wish all students from India were like him. He takes home with him the good wishes of all who has known him.

Sd/ Colonel H. J. Edwards, C.B.M.A.,
Fellow and Tutor of Peterhouse.

As Mr. Basit Ali Khan, informs me that he is a candidate for employment under the Government of H. H. the Maharaja, I have much pleasure in stating what I knew of him I have known him since 1902, and have watched his educational progress with much interest. He did very well at the M.A.O.College in Aligarh, where he and his brother worked very steadily and took a prominent part in games and all the other interest of the College.

His time in England was passed mainly at Peterhouse, Cambridge, where he won the esteem and respect of the College authorities and undergraduates alike. He took his degree and very creditably both in the University and the Bar Examination. He spent his time in England as a Gentleman among gentlemen and consequently in the most profitable manner. He has shown himself hitherto to be a man of high character and sense and I have every reason to believe him to be thoroughly well fitted for responsible employment under any Government. As a personal friend for whom I have warm regard I wish him all success.

in these districts, I beg to state
that I have been exercising the
powers of a 2nd class magistrate
since 15th August 1916 (Vide orde no 420-

and I believe I have been discharging
my duties to the satisfaction of
my superior officers. So far as I
am aware, for the last 2½ years
there have been only 5 appeals
against my judgments of which
only two have been reversed.

I further beg to state that
I belong to a respectable Khan
family and have put in
nearly 14 years Service having

joined Government appointment in September 1904. If you think that I am in any way deserving of the appointment, I humbly request you to kindly recommend my name for the consideration of Government in filling up the appointments of the Speedy Magistrates referred to.

I beg to remain,

Letter No.J.C.58 of 1918-19 dated 6th September 1918 from the Deputy Commissioner, Shimoga District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to your docket No.C.914 G1. dated 31st August 1918, I have the honor to state that Mr. Mallaraja Urs has been exercising Second class magisterial powers for the past two years. In 1916-17 he disposed of 124 cases. There were only two appeals. In one case his sentence was upheld and in the other case modified. In 1917-18 he disposed of 81 cases. There were four appeals. In two cases his sentences were confirmed and the other two cases are still pending. I consider his work as a Magistrate good and think he is reliable and sound in judgment and that he has a sufficient knowledge of Law and Procedure. But it must be admitted that there is nothing specially brilliant in his judicial work and it were a pity to lose his services in the executive line, where he makes an efficient, tactful and capable officer.

Sir,

I beg to state that, so far back as 1897, I entered Government Service as a Clerk in the Revenue Branch of the Dewan's - Office and then I was drafted to the Legislative Branch where I worked till December 1900 when I was appointed Taluq Shirastedar of the Hiriyur Taluq. I was in charge of that Taluq for more than 4 months and was appointed as acting Amildar of the Jagalur Taluq, in which capacity I exercised the powers of a Magistrate of the third class. In April 1904, I was appointed Deputy Amildar and third class Magistrate of the Turuvekere Sub Taluq, and in June 1906, I was appointed Amildar and transferred to the Mudgere - Taluq. In August 1906, I was invested with the powers of a Magistrate of the Second class with special powers to exercise under the Breach of Contract Act. I have thus gained considerable experience in Revenue and Magisterial work. I have been continuously exercising the powers of a Magistrate for over 15 years. I was first appointed to act as Assistant Commissioner under Government Order No.14937/G.M.154-16-84 dated the 10th May 1917 and posted to to the charge of the District Treasury, Shimoga. But before I was permitted to join, the post was otherwise disposed of. Subsequently, in their Order No.R.12819/L.R.18-16-51 dated the 23rd June 1917, the Government were pleased to appoint me as acting Assistant - Commissioner and posted me to the charge of the District Treasury, Mysore, which appointment I held till recently for a long period of over 12 months. Unfortunately, I was unexpectedly reverted as Amildar when I expected a transfer to other Departments like others. I am the only unfortunate man who was thus reverted though I have been a Law Graduate of 18 years standing.

I beg to state that I took my B.A., Degree in the year 1893, and the B.L., Degree in January 1900. I have also passed the Revenue, Civil Part I, Registration and Accounts Higher of the Mysore Local Service and Pleaders' Examinations, and have thus fully qualified myself for a place of an Assistant Commissioner. In spite of my higher qualifications in addition to my hard working and faithful service, I was not fortunate enough to continue as Assistant Commissioner which post I held for a considerable length of time. I have put in a service of over 21 years and had the fortune of serving under more than a dozen Deputy Commissioners during the period of my service.

Having worked in the Revenue Department for such a long period, I have a strong desire to enter the Judicial Department as a Special Magistrate under the New Scheme. I therefore request that the Government may be pleased to confer on me the post of a Special Magistrate in the present arrangement.

For which, I shall feel myself highly grateful.

I beg to remain,

Sir,

Your most obedient servant,

K Kesavachar
